

Church of Christ Care Center

Clinton Township, MI 48035

May 31, 2017

Dear Responsible Party:

We hope you have been having a good spring! Enclosed please find a flyer inviting you to our **Campus-Wide Picnic on June 21, 2107 from 1:30pm – 4:00pm**. Hopefully you will be able to bring your loved one and spend quality time together. Stay as long as you wish during that time! This picnic is for all residents, resident families, our employees, and our employee families as well. We look forward to a fun day together!

On a different note, we would also like to make you aware of a change in our pharmacy services.

Omnicare has recently acquired Heritage Pharmacy and will begin providing all resident medications beginning June 8, 2017. This was not a matter of us choosing to make a change, but rather a change in ownership.

Omnicare, a CVS Health company, is an industry leading long term care pharmacy services provider focused on supporting community residents and staff throughout the continuum of care.

There is nothing you need to do. All your insurance information will be automatically transferred to Omnicare.

We are working closely with Omnicare and Heritage Pharmacy to make this transition as smooth as possible, and we are confident that each resident on our campus will benefit from the services provided.

We look forward to seeing you at the picnic on June 21!

Sincerely,

A handwritten signature in black ink that reads "Julie Maher, CEO".
