

# Pandemic Attire

**Are you sick and tired of wearing the same old uniform?  
Well then, for the next few weeks, if you wish, you may dress as  
if it's casual Friday every day!**

**This means that you may wear jeans!**

**However, jeans must fit well with no holes. No jeggings unless  
covered by a dress or long shirt that reaches well below  
midthigh. No sweatpants, shorts, or yoga pants.**
