RE: Positive Case of COVID-19

Today, a case of COVID-19, the illness resulting from the novel coronavirus, has been diagnosed in at the Church of Christ **Care Center**.

The **resident** has been in **quarantine** for several days **within the Care Center**

We have notified public health officials as required and are following procedures recommended by the Centers for Disease Control & Prevention. We are taking every step as recommended by authorities to contain the spread. We want to make our dedicated staff aware of this situation and reassure everyone that we are on top of it.

Developments are changing day by day, minute by minute. Our focus remains on the health and well-being of the Care Center staff, our residents, and our whole community. We must also recognize our team for the concern and commitment they have shown to our residents during this challenging time. **Our mission has never been more meaningful.**

We ask that our residents and staff do all that they can to support our community by following the recommendations set forth by the CDC:

- Social Distancing
- Washing Hands for 20 seconds with soap and water
- Let me know if you are showing any signs or symptoms of COVID-19
- Seek medical assistance as necessary

Thank you all for your support. We will provide updates regularly. If you have any questions, please let me know. We are going to work together through this with compassionate teamwork, composure, and strength.

Sincerely,

Shanita Bradley, NHA
